

WeSeaChallenge Pre-event

Save the Baltic Sea and race for 8 500 euros

Date: September 20th (13.00 -16.00)

Place: Turku School of Economics (TSE, room 33),
Rehtorinpellonkatu 3, 20500, Turku

Would you like to contribute solutions for a healthy and productive Baltic Sea? Join the WeSeaChallenge and bring solutions powered by open satellite data. In this pre-event we will introduce the WeSeaChallenge contest and practical examples on satellite data application and tools. The pre-event is oriented to bring together diverse experts and talents in science, business and information technology to discuss ideas about Baltic Sea. You all are welcome!

Registration to pre-event at

<https://is.gd/q1hcvF>
